

Knox County Fish & Game Association is a non-profit organization located at Beaver Lodge on the shores of beautiful Alford Lake in the town of Hope, Maine.

Association meetings are held on the third Thursday of every month except December. We meet at Beaver Lodge from April to October and elsewhere from November to March when the lodge is shut down for the season. Supper is provided for a nominal fee and there is often an interesting program. Check the News & Events page on our website for details.
